Part 1: INTRODUCTION

1.1 About the Pacific Community (SPC)

The Pacific Community (SPC) is the principal scientific and technical organisation of the Pacific region, established by treaty in 1947 with the signing of the Agreement Establishing the South Pacific Commission (the Canberra Agreement).

SPC has our headquarters in Noumea, New Caledonia and has regional offices in Fiji, the Federated States of Micronesia and Vanuatu, as well as an office in France. SPC works across the Pacific and has staff in nearly all of our Pacific Island Country and Territory members.

SPC works for the well-being of Pacific people through the effective and innovative application of science and knowledge and is guided by a deep understanding of Pacific Island contexts and cultures. Our unique organisation covers more than 20 sectors and is renowned for knowledge and innovation in such areas as fisheries science, public health surveillance, geoscience and conservation of plant genetic resources for food security.

For more information about SPC and the work that we do, please visit our website: <https://www.spc.int/>.

1.2 SPC's procurement activities

SPC's procurement activities are guided by the principles of high ethical standards, value for money, open competition and social and environmental responsibility and are carried out under our Procurement Policy.

SPC's *Procurement Policy* provides the framework for ensuring that SPC obtains the best value for its purchases, in terms of both cost and quality; demonstrates financial probity and accountability to its members and development partners; manages and prevents the potential for conflicts of interest; reduces its environmental impact and manages any other risks.

At SPC, all procurement follows the same main steps: planning; statement of needs; requisition; solicitation; evaluation; award; receipt; and payment. Different procedures apply depending on the value of the goods, services and works to be procured.

For further information or enquiries about SPC's procurement activities, please visit the procurement pages on our website: <https://www.spc.int/procurement> or email: procurement@spc.int.

1.3 SPC's Request for Proposal (RFP) Process

At SPC, procurement valued at more than EUR 45,000 must be advertised through a Request for Proposal (RFP) with any bids received evaluated by SPC's Procurement Committee to determine the offer that provides the best value for money.

This RFP sets out SPC's requirements and it asks you, as a bidder, to respond in writing in a prescribed format with pricing and other required information. The RFP contains detailed instructions and templates to enable you to submit a compliant bid. It sets out the overall timetable; it confirms the evaluation criteria that SPC will use to evaluate proposals; it explains the administrative arrangements for the receipt of the bids; and it sets out how bidders can request further information.

Your participation confirms your acceptance of SPC's conditions of participation in the RFP process.

Part 2: INSTRUCTIONS TO BIDDERS

2.1 Background

SPC invites you to submit a bid to deliver the goods as specified in [Part 3](#).

SPC has advertised this RFP on its website and may send it directly to potential vendors. The same specifications, submission and other solicitation requirements will be provided to all vendors.

SPC has compiled these instructions to guide prospective bidders and to ensure that all bidders are given equal and fair consideration.

Please read the instructions carefully before submitting your bid. For your bid to be considered, you must provide all the prescribed information by the closing date and in the format specified.

2.2 Submission instructions

Your submission must be clear, concise and complete and should only include information that is necessary to respond effectively to this RFP. Please note that you may be marked down or excluded from the procurement exercise if your submission contains any ambiguities or lacks clarity.

Your proposal must include the following documents (annexes of [Part 5](#) of the RFP):

- a) Bidder's Letter of Application (Annex 1);
- b) Conflict of Interest Declaration (Annex 2);
- c) Information about the bidder and Due diligence (Annex 3);
- d) Technical proposal submission form (Annex4);
 - a. Valid Business Licence
 - b. Demonstration of previous 3D Model production
- e) Financial proposal submission form (Annex 5).

Your proposal must be submitted in **two separate emails**.

You must submit your **Technical proposal** (Annexes 1 to 4 and all their supporting documents) in English as an attachment to one email. No financial information may appear in the technical proposal.

You must submit your **Financial proposal** (Annex 5) in a separate email. All prices in the proposal must be presented in EURO. Your Financial proposal is to be password protected. SPC will request the password in the event that it is required.

Both emails are to be sent to procurement@spc.int with the subject line of your email as: **Submission RFP24-6202**.

Your proposal must be received no later than **28/04/2024 by 11:45PM Fiji Time**.

SPC will send a formal acknowledgement to each proposal received before the deadline.

SPC reserves the right to exclude from consideration any proposal not received by the deadline, with incomplete information or in incorrect form.

2.3 Clarifications

Pre-Bid Meeting

A Pre-bid Meeting will be arranged by SPC Procurement Team. The pre-bid meeting will be undertaken virtually. Bidders who are interested to attend the pre-bid meeting must register their attendance through the SPC procurement email (procurement@spc.int) by **11.45pm, Fiji Time on 24th March 2024**.

You may submit questions or seek clarifications on any issue relating to this RFP. The questions are to be submitted in writing to procurement@spc.int with the subject line: **Clarification RFP24-6202**. The deadline for submission of clarifications is **7/04/2024 by 11:45PM Fiji Time**.

Details will be kept of any communications between SPC and bidders. This assists SPC to ensure transparency of the procurement process. While SPC prefers written communication in the RFP process, at any point where there is phone call or other conversation, SPC will keep a record or a file note of the exchange with prospective bidders.

2.4 Evaluation

Validity

Each proposal will be assessed for compliance with the submission requirements by the Bids Opening Committee. At this stage, basic due diligence will also be undertaken.

To assist in the examination, evaluation and comparison of proposals, SPC may ask the bidder for clarification of its proposal or additional information. The request for clarification will be in writing.

Technical

All valid proposals will be assessed against the technical evaluation criteria set out in Part 4. The criteria are provided with weighted scores according to the relative importance of each. SPC will not change the evaluation criteria set out in the RFP at any stage of the procurement process. Any changes in the evaluation criteria will result in the RFP process being re-issued.

Bidders are expected to familiarise themselves with local conditions and take these into account in preparing their proposal. Where minimum qualifications are set as specific evaluation criteria (which may include educational qualification, professional accreditation or certification, licensing, experience and expertise), proposals submitted must necessarily meet these criteria.

Shortlisted bidder's presentation

Bidders that are short-listed during the RFP evaluation process may be required to conduct a presentation to, and respond to queries of, SPC's Procurement Technical Evaluation Committee. The bidders will be provided an opportunity to provide an overview of the operational aspect of the services they are proposing.

Financial

Any bids that pass the minimum technical evaluation requirements will pass onto financial evaluation.

During the financial evaluation, if there is a discrepancy between the unit price and the total price, the lower price shall prevail. If there is a discrepancy between words and figures the amount in words will prevail.

The total cost of the proposal must be submitted inclusive of taxes in accordance with the applicable legislation, and is not subject to revision.

2.5 Contract award

The purpose of this RFP is to implement Preferred Supplier Agreements (PSAs) based on work areas. Initial

contract will be for one (1) year and can be renewed for three (3) more years based on performance

SPC may award the contract once the Procurement Committee has determined that a bidder has met the prescribed requirements and the bidder's proposal has been determined to be the most responsive to the RFP documents, provide the best value for money and best serve the interests of SPC.

SPC's [General Terms and Conditions of Contract](#) will apply to any contracts awarded under this RFP, unless otherwise agreed. Any requested changes to the General Terms and Conditions of Contract must be foreshadowed in the submission. In the absence of requests for changes, the General Conditions of Contract and the terms of the PSA contract shall be deemed to be known, understood, and accepted by the bidder. A sample PSA is attached to this RFP.

The award of the contract will be made by contract signed and dated by both parties.

2.6 Key dates

Please see the proposed procurement timetable in the table below. This timetable is intended as a guide only and while SPC does not intend to depart from the timetable, it reserves the right to do so at any stage.

STAGE	DATE
RFP advertised	5/03/2024
Pre-Bid Meeting	TBC
Deadline for seeking clarification	7/04/2024
RFP Closing Date	28/04/2024
Award of Preferred Supplier Agreement (PSA)	12/06/2024

2.7 Legal and compliance

Child and vulnerable adult protection: SPC is committed to the well-being of children and vulnerable adults. All SPC contractors are required to commit to the principles of SPC's Child and Vulnerable Adult Protection Policy ([XI.G Manual of Staff Policies](#)). Breach of this requirement can result in SPC terminating any contract with a successful bidder. Any allegations of potential misconduct in relation to this RFP involving children or vulnerable adults should be sent to complaints@spc.int.

Confidentiality: Unless otherwise agreed by SPC in advance or where the contents of the RFP are already in the public domain when **shared** with the bidder, bidders shall at all times treat the contents of the RFP and any related documents as confidential. SPC will also treat the information it receives from the bidders as confidential.

Conflict of interest: Bidders must take all necessary measures to prevent any situation of conflict of interest. You must notify SPC in writing as soon as possible of any situation that could constitute a conflict of interest during the RFP process. If you have any familial connection with SPC staff, this must be declared, and approval will then be sought for you to engage in the RFP process. Breach of this requirement can result in the exclusion of the bidder from the RFP process or in SPC terminating any contract with a successful bidder.

Cost of preparation of proposals: Under no circumstances will SPC be liable for any proposal submission costs, expenditure, work or effort that you may incur in relation to your provision of a proposal (including if the procurement process is terminated or amended by SPC).

Currency, validity, duties, taxes: Unless specifically otherwise requested, all proposals should be in EURO and must be net of any direct or indirect taxes and duties and shall remain valid for 120 days from the closing

date. The successful bidder is bound by their proposal for a further 60 days following notification they are the preferred bidder so that the contract may be awarded. No price variation due to escalation, inflation, fluctuation in exchange rates, or any other market factors shall be accepted at any time during this period.

Eligibility: Bidders are required to disclose to SPC whether they are subject to any sanction or temporary suspension imposed by any international organisation, or whether they are subject to bankruptcy proceedings. You may not be bankrupt or suspended, debarred, or otherwise identified as ineligible by any international organisation. Failure to disclose such information may result in debarment and termination of any contract issued to the bidder by SPC.

Fraud and corruption: SPC has zero tolerance for fraud and corruption. All contractors have an obligation to report potential fraud and corruption. Breach of this requirement can result in the exclusion of the bidder from the RFP process or in SPC terminating any contract with a successful bidder. Allegations of potential misconduct by an SPC staff member or contractor involving fraud or corruption can be sent to complaints@spc.int.

Good faith: The information in this RFP is provided by SPC in good faith. No representation, warranty, assurance or undertaking (express or implied) is or will be made, and no responsibility or liability will be accepted by SPC in relation to the adequacy, accuracy, completeness or reasonableness of this RFP or any information provided by SPC in relation to this RFP.

Modifications: Any clarifications, corrections or modifications will be published on the SPC website prior to deadline. In the event a bidder has submitted a bid before the clarification, correction or modification, the bidder will be informed and may modify the bid. The modified bid will still need to be received before the deadline.

No offer of contract or invitation to contract: This RFP is not an offer to contract or an invitation by SPC to enter into a contract with you.

Privacy: The bidder is to comply with the requirements of applicable legislation and regulatory requirements in force for the use of personal data that is disclosed for the purposes of this RFP. SPC will handle any personal information it receives under the RFP in line with its [Privacy Policy](#), and the [Guidelines for handling personal information of bidders and grantees](#).

Right to amend, seek clarity, withdraw, not award: SPC reserves the right to: (1) amend, add to or withdraw all or any part of this RFP at any time, or to re-invite bids on the same or any alternative basis; (2) seek clarification or documents in respect of any bidder's submission; (3) choose not to award a contract as a result of this RFP; (4) make whatever changes it sees fit to the timetable, structure or content of the procurement process, depending on approvals processes or for any other reason. Please note that while SPC will not change the evaluation criteria set out in the RFP without the RFP process being re-issued, SPC does reserve the right at the time of award of contract to vary the quantity of services and goods specified in the RFP and to accept or reject any proposal at any time prior to award of the contract without incurring any liability to the affected bidder or any obligation to inform the affected bidder/s of the grounds for SPC's action.

Right to disqualify: SPC reserves the right to disqualify: (1) any bidder that does not submit a proposal in accordance with the instructions in this RFP; (2) any bidder that misrepresents information to SPC; (3) any bidder that directly or indirectly canvasses any SPC employee concerning the award of a contract.

Use of material: Bidders shall not use the contents of the RFP or any related material for any purpose other than for the purpose of considering submitting, or submitting, a bid to SPC.

Warranty, representation, assurance, undertaking: The bidder acknowledges and agrees that no person has any authority to give any warranty, representation, assurance or undertaking on behalf of SPC in connection with any contract which may (or may not) follow on from this RFP process.

2.8 Complaints process

Bidders that consider they were not treated fairly during any SPC procurement process may lodge a protest. The protest should be addressed to complaints@spc.int. The bidder must provide the following information: (1) full contact details; (2) details of the relevant procurement; (3) reasons for the protest, including how the alleged behaviour negatively impacted the bidder; (4) copies of any documents supporting grounds for protest; (5) the relief that is sought.

Part 3: Specification of Goods

➤ Background/context

SPC are implementing multiple projects throughout the Pacific Island Countries and Territories (PICTs) with partner Governments and organisations. This Request for Proposals (RFP) serves to engage eligible suppliers under Preferred Supplier Agreements (PSA) through which Implementation Contracts specifying production of 3D and interactive science models that will be made for respective projects at pre-set prices including physical models, interactive models, digital models, mix-media (both interactive and digital) that drive increased understanding of technical information for decision makers.

➤ Functional Specification

Design and development of:

- Science models that are interactive, engaging, inform the audience in understanding critical technical issues and challenges faced by the Pacific region. This could include issues such as modelling of sea level rise, inundation and flood impacts, the movement of tuna as a result of warming climates, the importance of genetic tissue management for Pacific Crops and Trees (for example).
- Development of physical models including 3D model printing to specific scale with necessary elements and design to enhance understanding and engagement on the science.
- Dashboards or virtual tools developed to be engaged with the use of spatial augmented reality to show the impact and risk such as inundation and flood events, droughts, climate change on water resources and assets, communities, cultural practices, human rights etc
- Development and supply of the models with any necessary equipment to showcase these in a public setting with the capability to easily and securely be transported around the Pacific region as needed within hard cased baggage and luggage limited suitable for transportation by Airfreight and Sea freight (pelican case and foam support or equivalent needed for physical modelling to prevent damage).
- Use of dynamic and static datasets to visualise the concepts of sea level rise, storm surge, and impacts to groundwater resources, infrastructure and assets.
- Data Storytelling development capabilities to visualise scientific content in visual and engaging manners that are accurate, reflect the science and drive genuine understanding of the work.
- Physical and digital versions are necessary with the ability to adapt and change area's we are able to gather and retrieve more data into the future.
- Systems developed or dashboards must be compatible with SPC systems and able to integrate effectively to ensure access for country Members at all times.

➤ Design Specification

The design of 3D modelling will be dependent upon the selected vendor/s. The designs should enable the creation of objects capable of displaying both physical and virtual elements. The material should facilitate the overlay of layered datasets to visualize changes and provide access to relevant risk planning information. The solution must be user-friendly and intuitive for seamless interaction and support use by country counterparts.

Material Properties: The material should allow for clear visualisation of both physical and virtual

components.

Preferred materials include:

- Polycarbonate (PC)
- Acrylonitrile Butadiene Styrene (ABS)
- Polylactic Acid (PLA)
- Recycled 3D plastic that is durable
- Epoxy or necessary for permanent installation
- Other suitable materials based on the agreed development of the tool in consultation with team

The requested models as well as equipment's developed therewith, are required to be easy to set up in remote, Pacific environments, portable, robust and durable, in that the items can be easily transportable and adaptable to different settings/environments, including outer island communities with limited facilities.

The virtual systems need to be compatible with SPC and can be integrated into SPC systems to support custodianship for the countries based on the requests by our country members.

➤ **Technical specification**

Ability to develop and print high resolution 3D models including.

- Ability to interpret and develop modelling tools using Digital Elevation Models (DEM) datasets provided, LiDAR, high resolution data, development of dynamic data sets.
- Development of virtual tools and dashboards that accompany physical modelling but also outline the work clearly and that are embedded into SPC systems.
- Ability to work with a scientific team and integrate dataset in common scientific data format (e.g. geotiff, netcdf, shapefile, etc..) into models using spatial augmented...to showcase the models using spatial augmented reality to ensure engagement by non-technical audiences.
- Proven expertise in developing physical and digital modelling and spatial augmented reality that showcases science in action in engaging and collaborative manners.

➤ **Delivery Requirements**

The supplier will be responsible for packing and delivering all items to SPC office in Suva, Fiji. SPC will facilitate customs clearance and pay associated destination charges at the destination port. Shipping will be covered by the vendor and all serial numbers and airwaybills to be provided to SPC as soon as possible to allow for customs clearance process.

Delivery to be confirmed upon signing of any Implementation Contract under the PSA, though no longer than seven months from contract signing with continued support for changes as required to the necessary modelling based on testing requirements.

All bidders are expected to submit a workplan and budget that outlines all deliverables and costings in accordance with the timeframes for delivery.

➤ **Warranty Requirements (when applicable)**

Warranty to be included for minimum of 6 months on electrical equipment and 2 years on physical printed materials and staging equipment including the travel cases.

➤ **Reporting Arrangements**

The successful suppliers will be responsible to the respective SPC team who will require the provision of 3D Models within the validity of the Preferred Supplier Agreement.

➤ **Timelines**

SPC intend to establish multiple contracts with Preferred Suppliers (under framework PSAs) depending on their experience, capabilities, availability, inventory, quality of materials, and the scope to be undertaken. It is expected that PSAs with eligible Preferred Suppliers will be signed in June 2024, with the first round of Specifications of Goods developed under Implementation Contracts commencing in June/July 2024.

SPC's PSA mechanism enables an initial agreement duration of up to 12-months, with renewal for later Implementation Contracts possible under the same PSA for an additional three years (up to four years maximum PSA validity period) dependent on Preferred Supplier performance and the need for their goods provision later in the project(s).

Once the PSA is established and Specification of Goods developed and shared, Preferred Suppliers will have the opportunity to discuss and negotiate the specifications, cost (see Price Review section below), duration and timing of the proposed supply and delivery plan with the applicable SPC Focal Point.

➤ **Price Review**

Prices quoted under the PSA are to remain fixed for a 12-month period from PSA signing. Preferred Suppliers will have the opportunity to request a review and amend their pricing every 12 months thereafter, if deemed appropriate via market comparison and agreed with SPC.

If there is a change in the Price within the 12-month review period for reasons beyond the Preferred Supplier's control, SPC should be advised promptly and upon approval by SPC the contract rate shall be amended.

➤ **Scope of Bid Price and Schedule of Payments**

1. The rates quoted by the bidder:
 - a. Should represent best value for money.
 - b. Should be valid and remain fixed for a period of one year from the date of award of PSA.
 - c. Must be inclusive of all taxes (listed separately) though inclusive of insurance, charges and other associated expenses.
2. Payment shall be made in accordance with the provisions of an Implementation Contract with SPC upon submission of invoices by the Preferred Supplier.
3. Bidder is requested to specify the preferred schedule of payments and terms acceptable,

noting that generally, SPC will not enter into arrangements requiring a 100% advance payment.

4. Terms of payment shall be in accordance with the provisions of Article 10 of the SPC General Conditions
5. Payment for supply and delivery of goods will typically be based on below milestones:

Milestone/deliverables	Deliverables
Approval by SPC of final workplan	2 weeks from contract signing
Development of the spatial augmented reality tool delivered and approved by the technical team	TBC
Finalization of the 3D physical model and the spatial augmented reality system of atoll model running including delivery to Fiji.	Maximum 7 months

➤ **Annexes to the Specification of Goods**

- Annex 1 – Concept Note – Science Models to support better decision making for Pacific Countries

Part 4: PROPOSAL EVALUATION MATRIX

4.1 Evaluation criteria & Score Weight

A two-stage procedure will be utilised to evaluate the proposals, with evaluation of the **Technical proposal** being completed prior to any **Financial proposal** being opened and compared.

The competencies which will be evaluated are detailed in [Part 3](#).

The evaluation matrix below also reflects the obtainable score specified for each evaluation criterion (technical requirement) which indicates the relative significance or weight of the items in the overall evaluation process.

The technical component, which has a total possible value of 700 points, will be evaluated using the following criteria.

Evaluation criteria	Score Weight (%)	Points obtainable
Mandatory requirements		
FIRST EMAIL a) Bidder's Letter of Application (Annex 1); b) Conflict of Interest Declaration (Annex 2); c) Information about the bidder and Due diligence (Annex 3); d) Technical proposal submission form (Annex 4); a. Valid Business Licence b. Demonstration of previous 3D Model production		Bidders will be disqualified if any of the requirements are not met
SECOND EMAIL e) Financial proposal submission form (Annex 5).-password protected		
Technical requirements		
Technical Requirement 1 - Experience		
Evidence of at least 5 years' experience in supply of similar items (at least 2 contracts; contracts with SPC should also be included if relevant or other science agencies).	40%	280
Technical Requirement 2 - Design and technical Specifications		
Compliance with design and technical requirements as stated in Part 3 above.	30%	210
Technical Requirement 3 – Functional Specifications		
Compliance with functional requirements as stated in Part 3 above.	25%	175
Technical Requirement 4 – Delivery Experience		
Proven experience shipping goods in the Pacific.	5%	35
Total Score	100%	700
Qualification score	70%	490

4.2 Financial evaluation

The financial component of the proposal will be scored on the basis of overall costs for the delivery of the goods and financial incentives and benefits provided to SPC. The lowest financial proposal will be awarded maximum 300 points and other financial offers and incentives will be awarded points as per the formula below:

$$\text{Financial Proposal score} = (\text{Lowest Price} / \text{Price under consideration}) \times 300$$

Part 5: PROPOSAL SUBMISSION FORMS

Annex 1: BIDDER'S LETTER OF APPLICATION

Dear Sir /Madam:

Having examined the Solicitation Documents, the receipt of which is hereby duly acknowledged, we the undersigned, offer to supply the required goods for the sum as may be ascertained in accordance with the Financial Proposal attached herewith and made part of this proposal.

We acknowledge that:

- SPC may exercise any of its rights set out in the Request for Proposal documents, at any time;
- The statements, opinions, projections, forecasts or other information contained in the Request for Proposal documents may change;
- The Request for Proposal documents are a summary only of SPC's requirements and is not intended to be a comprehensive description of them;
- Neither the lodgement of the Request for Proposal documents nor the acceptance of any tender nor any agreement made subsequent to the Request for Proposal documents will imply any representation from or on behalf of SPC that there has been no material change since the date of the Request for Proposal documents, or since the date as at which any information contained in the Request for Proposal documents is stated to be applicable;
- Excepted as required by law and only to the extent so required, neither SPC, nor its respective officers, employees, advisers or agents will in any way be liable to any person or body for any loss, damage, cost or expense of any nature arising in any way out of or in connection with any representations, opinions, projections, forecasts or other statements, actual or implied, contained in or omitted from the Request for Proposal documents.

We undertake, if our proposal is accepted, to commence and complete delivery of all items in the contract within the time frame stipulated.

We understand that you are not bound to accept any proposal you may receive and that a binding contract would result only after final negotiations are concluded on the basis of the Technical and Financial Components proposed.

For the Bidder: *[insert name of the company]*

Name of the Bidder's representative: *[insert name of the representative]*

Title: *[insert Title of the representative]*

Date: *[Click or tap to enter a date]*

Annex 2: CONFLICT OF INTEREST DECLARATION

INSTRUCTIONS TO BIDDERS

What is a conflict of interest?

A conflict of interest may arise from economic or commercial interests, political, trade union or national affinities, family, cultural or sentimental ties, or **any other type of relationship or common interest between the bidder and any person connected with the contracting authority** (SPC staff member, consultant or any other expert or collaborator mandated by SPC).

Always declare a conflict

The existence of a potential or apparent conflict of interest does not necessarily prevent the bidder concerned from taking part in a tender process. **However, the declaration of the existence of such a conflict by the persons concerned is essential and allows SPC to take appropriate measures to mitigate it and prevent the associated risks.**

Bidders are therefore invited to declare any situation, fact or link which, to their knowledge, could generate a real, potential or apparent conflict of interest.

Declaration at any time

Conflicts of interest may arise at any time during the procurement process or the implementation of a contract (e.g. new partner in the project) or as a result of a change in personal life (e.g. marriage, inheritance, financial transaction, creation of a company). If such a relationship is found and could be perceived by a reasonable person as likely to influence a decision, a declaration of the situation is necessary. In case of doubt, a conflict situation must be declared.

Declaration for any person involved

A declaration must be completed for each person involved in the tender (principal representative of the bidder, possible subcontractors, consultant, etc.)

Failure

Failing to declare a potential conflict of interest may result in the bidder being refused a contract or placed on SPC's list of non-responsible suppliers.

DECLARATION

I, the undersigned, *[name of the representative of the Bidder]*, acting in the name and on behalf of the company *[name of the company]*, declare that:

<input type="checkbox"/>	To my knowledge, I am not in a conflict-of-interest situation
<input type="checkbox"/>	There is a potential conflict of interest with regard to my <i>[Choose an item]</i> . relationship with <i>[name of the person concerned]</i> in his or her capacity as <i>position/role/personal or family link with the person concerned</i> , although, to the best of my knowledge, this person is not directly or indirectly involved in any stage of the procurement process
<input type="checkbox"/>	I may be in a conflict of interest with regard to my <i>[Choose an item]</i> relationship with <i>[name of the person concerned]</i> in his or her capacity as <i>position/role/personal or family link with the person concerned</i> , as this person is, to the best of my knowledge, directly or indirectly linked to the procurement process
<input type="checkbox"/>	To my knowledge, there is another situation that could potentially constitute a conflict of interest: <i>[Describe the situation that may constitute a conflict of interest]</i>

In addition, I undertake to:

- declare, without delay, to SPC any situation that constitutes a potential conflict of interest or is likely to lead to a conflict-of-interest;
- not to grant, seek, obtain or accept any advantage, whether financial or in kind, to or from any person where such advantage constitutes an unfair practice or an attempt at fraud or corruption, directly or indirectly, or constitutes a gratuity or reward related to the award of the contract;
- to provide accurate, truthful and complete information to SPC in connection with this procurement process.

I acknowledge that I and/or my company and/or my business partners who are jointly and severally bidding on the RFP *[SPC Reference]* may be subject to sanctions such as being placed on SPC's list of non-responsible vendors, if it is established that false statements have been made or false information has been provided.

For the Bidder: *[insert name of the company]*

Signature:

Name of the representative: *[insert name of the representative]*

Title: *[insert Title of the representative]*

Date: *[Click or tap to enter a date]*

Annex 3: INFORMATION ABOUT THE BIDDER AND DUE DILIGENCE

Please complete the following questionnaire and provide supporting documents where applicable.

VENDOR INFORMATION				
Are you already registered as an SPC vendor?			<input type="checkbox"/> Yes	<input type="checkbox"/> No
1. Please provide information related to your entity.				
Company name	[Enter company name]		Address	[Enter address]
Director/CEO	[Enter name of the executive person]		Position	[Enter position of the executive person]
Business Registration/License number	[Enter company registration/license number (or tax number)]			
Date of business registration	[Enter date of business registration]			
Country of business registration	[Enter country of business registration]			
Status of the entity:				
<input type="checkbox"/> For-profit entity (company), <input type="checkbox"/> NGO, <input type="checkbox"/> International organisation, <input type="checkbox"/> Government body, <input type="checkbox"/> University, <input type="checkbox"/> Association, <input type="checkbox"/> Research Institute, <input type="checkbox"/> Other: [insert details]				
2. Please provide relevant documentation to support and verify the legal existence of the entity, the authority of its officer and proof of its address, such as:				
<input type="checkbox"/> Delegation of authority or power of attorney document <input type="checkbox"/> Certificate of business registration/license <input type="checkbox"/> Memorandum, Articles or Statutes of Association <input type="checkbox"/> Telephone, water, or electricity bill in the name of the entity <input type="checkbox"/> Bank account details bearing the name of the entity				
3. How many employees does your company and its subsidiaries have?			[provide answer]	
4. Do you have professional insurance against all risks in respect of your employees, sub-contractors, property and equipment?			<input type="checkbox"/> Yes	<input type="checkbox"/> No
If 'No', what type of business insurance do you have?			[provide answer]	
5. Are you up to date with your tax and social security payment obligations?			<input type="checkbox"/> Yes	<input type="checkbox"/> No
If 'No', please explain the situation:			[Provide details]	
6. Is your entity regulated by a national authority?			<input type="checkbox"/> Yes	<input type="checkbox"/> No
If 'Yes', please specify the name:			[Insert name of the national regulation authority]	
7. Is your entity a publicly held company?			<input type="checkbox"/> Yes	<input type="checkbox"/> No
8. Does your entity have a publicly available annual report?			<input type="checkbox"/> Yes	<input type="checkbox"/> No

Annex 4: TECHNICAL PROPOSAL SUBMISSION FORM

INSTRUCTIONS TO BIDDERS

The Technical Proposal Submission Form is a table that includes the technical criteria (set out in Part 3) on which bidders will be scored and allows the bidder to respond to them. This table is then used by the technical evaluation committee to score the technical proposals received.

Technical Requirements	
<i>Evaluation criteria</i>	<i>Response by Bidder</i>
1 - Experience	
Evidence of at least 5 years' experience in supply of similar items (at least 2 contracts; contracts with SPC should also be included if relevant or other science agencies).	<i>[Bidder's answer]</i>
2 - Design and Technical Specifications	
Compliance with design and technical requirements as stated in Part 3 above.	<i>[Bidder's answer]</i>
3 - Functional Specifications	
Compliance with functional requirements as stated in Part 3 above.	<i>[Bidder's answer]</i>
4 - Delivery Experience	
Proven experience shipping goods in the Pacific.	<i>[Bidder's answer]</i>

For the Bidder: *[insert name of the company]*

Annex 5: FINANCIAL PROPOSAL SUBMISSION FORM

In their financial proposal, bidders should detail as much as possible the price requested in response to the technical specifications.

Wherever possible, the unit prices of the individual goods should be indicated, followed by the total amount (including any additional services and any other costs associated with the delivery of the goods).

Good detail in their financial proposal helps bidders to give clarity and transparency to their proposal and makes it easier for SPC to score the proposals received.

The contract to be concluded with the selected bidder must mention all the costs incurred for the execution of the assignment entrusted to him (including insurance, packaging, delivery costs, unloading, etc., where applicable). No additional costs can be claimed from SPC after the contract has been signed.

Bidders must also mention any special conditions relating to the amount of their proposal or the terms of payment.

The financial proposal must be submitted inclusive of tax in accordance with the applicable legislation. However, the final amount of the awarded contract may be paid to the successful bidder inclusive or exclusive of taxes, depending on the tax exemptions enjoyed by SPC as an intergovernmental organisation in its member countries and territories.

The following form is given as an indication, the bidder may submit its financial proposal to SPC in another format (add pricing for different materials, itemise the financial bid,...), provided that it complies with the instructions detailed in this RFP and in particular:

Goods description	Material	Lump sum Price EUR	Total quantity	Total Amount EUR
Production of Science Models		[unit price]	[quantity]	[total amount]
Other costs				
Total Package 1				[Total 1]

Other costs				
Item description	Unit Price EUR	Total quantity	Total Amount EUR	
Delivery to Suva, Fiji	[unit price]	[quantity]	[total amount]	
Total Other costs			[Total]	

Total amount	[total amount for 1+2+3]
Total other costs	[total other costs]
GRAND TOTAL	

No payment will be made for items which have not been priced. Such items are deemed to be covered by the financial offer.

Bidders are invited to submit their product portfolio if available.

Bidders will be deemed to have satisfied themselves, before submitting their proposal and to its correctness and completeness, taking into account of all that is required for the full and proper performance of the contract and to have included all costs in their rates and prices.
