2. SOURCE OF INSTRUCTIONS

The Contractor will only accept instructions from SPC in the performance of this contract. The Contractor will refrain from any action that may adversely affect SPC and will fulfil its commitments with the fullest regard to the interests of SPC. Should any authority external to SPC seek to impose any instructions concerning or restrictions on the Contractor's performance under the contract, the Contractor shall promptly notify SPC and provide all reasonable assistance required by SPC.

3. CONTRACTOR'S RESPONSIBILITY FOR EMPLOYEES

3.1 The Contractor shall be responsible for the professional and technical competence of its employees and will select, for work under this contract, reliable individuals who will perform effectively in the implementation of this contract, respect the local customs, and conform to a high standard of moral and ethical conduct.

4. SPECIFIED PERSONNEL

The Contractor must ensure that the services are performed in accordance with this contract. Where personnel have been specified, they must provide those services. SPC may remove any personnel (including Specified Personnel) from work in respect of this Contract. If it does so, or if Specified Personnel are unable or unwilling to perform the contract, the Contractor will provide replacement personnel (acceptable to SPC) of suitable ability and qualifications at no additional cost and at the earliest opportunity.

5. ASSIGNMENT

The Contractor may not assign, transfer, pledge or make other disposition of this contract or any part thereof, or any of the Contractor's rights, claims or obligations under this contract except with the prior written consent of SPC.

6. SUB-CONTRACTING

6.1 Any intention to subcontract aspects of the contract must be specified in detail in the proposal submitted. Information concerning the subcontractor, including the qualifications of the staff proposed for use must be covered with same degree of thoroughness as for the prime Contractor. No subcontracting will be permitted under the contract unless it is proposed in the initial

submission or is agreed to by SPC in writing. In any event, the total responsibility for the contract remains with the Contractor. The Contractor shall be responsible for ensuring that all subcontracts shall be fully consistent with the contract and shall not in any way prejudice the implementation of any of its provisions.

6.2 Prior to employing individuals or engaging subcontractors to perform services under this contract, the Contractor agrees, at its own expense, to perform due diligence necessary to ensure compliance with the terms of this contract.

7. OFFICIALS NOT TO BENEFIT

The Contractor warrants that no official of SPC has received or will be offered by the Contractor any direct or indirect benefit arising from this contract or the award thereof. The Contractor agrees that breach of this provision is a breach of an essential term of this contract.

8. INDEMNIFICATION

8.1 The Contractor shall indemnify, hold and save harmless, and defend, at its own expense, SPC, its officials, agents, servants and employees from and against all suits, claims, demands, and liability of any nature or kind, including their costs and expenses, arising out of acts or omissions of the Contractor, or the Contractor's employees, officers, agents or sub-contractors, in the performance of this contract. This obligation does not extend to actions and omissions of SPC.

8.2 This provision shall extend, inter alia, to claims and liability in the nature of workmen's compensation, products liability and liability arising out of the use of patented inventions or devices, copyrighted material or other intellectual property by the Contractor, its employees, officers, agents, servants or sub-contractors.

8.3 The obligations under this clause do not lapse upon termination of this contract.

9. FRAUD AND CORRUPTION

9.1 The Contractor shall adhere to the highest standard of ethical conduct and not engage in corrupt, fraudulent, collusive, coercive or obstructive practices.

9.3 For purposes of this contract, the following definitions shall apply:

(ii) "fraud" means any dishonest act or omission

that causes loss or detriment to SPC or results in an unauthorised benefit or advantage to either the person(s) acting or omitting or to a third party. The act or omission can be either deliberate or reckless in relation to the harm caused or the benefit or advantage obtained.

9.4 Any breach of this representation and warranty shall entitle SPC to terminate this contract immediately upon notice to the Contractor, at no cost to SPC.

10. INSURANCE AND LIABILITIES TO THIRD PARTIES

10.1 SPC shall have no responsibility for the purchase of any insurance which may be necessary in respect to any loss, injury, damage or illness occurring during the execution by the Contractor of the present contract.

12. TITLE TO EQUIPMENT

Title to any equipment and supplies that may be provided by SPC rests with SPC. Such equipment shall be returned to SPC at the conclusion of this contract or when no longer needed by the Contractor. On return, the equipment shall be in the same condition as when delivered to the Contractor, subject to normal wear and tear. The Contractor shall be liable to compensate SPC for equipment determined to be damaged or degraded beyond normal wear and tear.

13. INTELLECTUAL PROPERTY RIGHTS

13.1 SPC is entitled to all intellectual property and other proprietary rights including but not limited to patents, copyrights, and trademarks, with regard to products, or documents and other materials which bear a direct relation to or are produced or prepared or collected in consequence of or in the course of the execution of this contract. This includes derivative works created as a result of products created pursuant to this contract.

The Contractor shall not be permitted to make use of any such data and information for the contractor's own purposes.

15.2 The Contractor may not communicate at any time to any other person, Government or authority external to SPC, any information known to it by reason of its association with SPC which has not been made public except with the authorisation of SPC; nor shall the Contractor at any time use such information to private advantage. In the event any governmental authority refuses to recognise SPC's exemption from such taxes, duties or charges, the Contractor shall immediately consult with SPC to determine a mutually acceptable procedure.

16.2 The Contractor authorises SPC to deduct from the Contractor's invoice any amount representing such taxes, duties or charges, unless the Contractor has consulted with SPC before the payment thereof and SPC has, in each instance, specifically authorised the Contractor to pay such taxes, duties or charges under protest. In that event, the Contractor shall provide SPC with written evidence that payment of such taxes, duties or charges has been made and appropriately authorised.
