Note: All ODA figures in A\$. Figures are approximate.

ⁱ For the purposes of this table, bilateral ODA includes all Australian ODA, including funds disbursed through government agencies other than AusAID, and funds disbursed through any program (country, regional or global) which can be identified as delivered to an individual country.

ⁱⁱ Covers bilateral program and Australia's contribution to the Regional Assistance Mission to Solomon Islands (RAMSI).

ⁱⁱⁱ Exclusive of NZAID Management fee (see NZ Cairns Compact report). NB: Discrepancy with reported ODA to OCED DAC (\$780,000 for CY2008) due to timing of disbursements for 07/08 and 08/09 financial years.

^{iv} Figures derived from NZ Cairns Compact report calculations.
