**What was the highlight of the meeting for you?  
/ Selon vous, quel a été le point fort de la  
réunion?**

(2/2)

- Socialisation of the Strategic plan session, and the level of engagement and clarity from SPC leadership and staff on all items.

**What is one improvement that the Secretariat could make to support engagement in future sessions? Quelle amélioration le secrétariat pourrait-il apporter pour faciliter la participation aux futures sessions ?**

- In person sessions
- To have more pre-CRGA briefings for members individually and collectively ahead of the meeting proper.
- Nothing to add
- Improved dialogue and understanding with members.
- I think it will improve even more once all Members can meet face to face. Otherwise it was good.
- The Chair could ask quieter members to speak and invite them to make interventions so we hear a variety of voices.
- Would be good to hear from more sub-committee members, but appreciate that this is at their discretion.
