Answers to request for clarification RFP22-3288 – Digital Transformation Consultant

Date: April 13th, 2022

1. **Would you be willing to consider companies with only 1 year of audited accounts (vs. 2 years as required in the Terms of reference)?**

Yes.

2. **In the overview, should the consultancy focus on regional and sub-regional initiatives only, or include national initiatives?**

Yes, the consultancy should focus on regional and sub-regional initiatives only. If a national initiative is encountered that could be construed as having regional impact, it would be good to add that, but there is no obligation.
