

SPC Work Plan in Vanuatu

01/01/2017 – 31/12/2017

The following table lists key work areas that SPC is undertaking in 2017 in cooperation with Vanuatu. The country-specific work listed here complements other SPC work undertaken at a regional level to benefit the people of Vanuatu and achieve its national development priorities. SPC's key regional work is presented in the Pacific Community Results Report.

| SPC development objective | Divisional business plan objective | Status | Outputs taking place or expected to commence this year | Programme/Project |
|---|---|-----------|---|---|
| Goal 1: The Pacific region and its people benefit from inclusive and sustainable economic growth | | | | |
| Fisheries | | | | |
| 1. Strengthen sustainable management of natural resources (fisheries, forestry, land use, agriculture, minerals, water) | Support the sustainable development of aquaculture | Completed | National OIE-World Organisation for Animal Health report on Aquatic Animal Health Code updated | MFAT Pacific Aquaculture Dev |
| | | Ongoing | Capacity development for government and farmers in aquatic biosecurity | MFAT Pacific Aquaculture Dev |
| | | Ongoing | Capacity development for government and farmers in feed, seed and broodstock management | MFAT Pacific Aquaculture Dev, DFAT |
| | | Ongoing | Technology transfer facilitated in feed, seed and broodstock management | MFAT Pacific Aquaculture Dev, DFAT |
| | | On Track | Application and evaluation of community-based approaches to strengthen community impacts of small-scale aquaculture | ACIAR: Improving community-based aquaculture in Fiji, Kiribati, Samoa and Vanuatu |
| | | On Track | Training on advances in hatchery production of freshwater prawns - <i>Macrobrachium</i> spp. | Australia: Support for the development of aquaculture |
| | Provide analyses and advice for evidence-based fisheries management | On Track | Coastal fisheries policies and management plans reviewed, updated or developed | Core, MFAT, programme funding |
| | | On Track | Support for coastal fisheries monitoring, control, surveillance and enforcement - database and training | MFAT |
| | | On Track | Improved information and management of beche-de-mer stocks in Melanesian and other participating countries | FFA PROP |
| | | On Track | Capacity development and support provided to Vanuatu Fisheries staff to undertake habitat surveys at selected sites and report following Tropical Cyclone Pam | KfW |
| | Support capacity development in fisheries and aquaculture among PICTs | On Track | Support provided for coastal fisheries resource or ecosystem surveys and assessments | Core, MFAT, DFAT programme funding |

| SPC development objective | Divisional business plan objective | Status | Outputs taking place or expected to commence this year | Programme/Project |
|---------------------------|---|---|---|---|
| | Enhance data collection and provide data management services for fisheries & marine ecosystems | Ongoing | Provision of new and updated internet-based tools to acquire and manage tuna fishery data | GEF, programme funding, E-Reporting and E-Monitoring |
| | | Ongoing | Support provided to users of SPC-developed Tuna Fisheries Data Management Systems, through the Oceanic Fisheries Programme (OFP) Helpdesk via 'Slack' online collaboration platform | GEF, programme funding |
| | | Completed | In-country training and utilisation of SPC-developed smart phone/tablet application, Tails, for artisanal fisheries data collection | GEF, programme funding |
| | | Completed | Participants attend 11th Tuna Data Workshop - Support provided to prepare and submit national annual catch estimates | Tuna Data Workshop (WCPFC capacity building) |
| | | Completed | Country assisted with Western and Central Pacific Fisheries Commission (WCPFC) reporting obligations, particularly with WCPFC Annual Report Part 1 (related to its fleet's activities in the WCPFC Convention Area) | Core, GEF, programme funding |
| | | Ongoing | Provision of tuna fishery data summaries responding to various ad hoc national requests (e.g. for access negotiation briefs, etc.) | Core, GEF, programme funding |
| | Provide, and facilitate access to, fisheries information | Completed | Corporate documents, policies or plans published for Fisheries Ministry/departments | Fisheries Information - programme funding, various projects |
| | Identify sustainable alternative livelihood options for nearshore fisheries | On Track | Catch monitoring and socio-economic household surveys conducted | ADB and FAO projects |
| | Provide analyses and advice for evidence-based fisheries management | Ongoing | Ongoing work provided in oceanic fisheries as the 'science provider' to WCPFC (includes WCPFC members and participating territories) | WCPFC |
| | | Ongoing | Scientific analyses, advice and technical support provided to Pacific Islands Forum Fisheries Agency (FFA) | Core, programme funding |
| | | Completed | National bio-economic analyses of longline fisheries provided | GEF |
| | | Completed | Report on distribution of fishing within the Exclusive Economic Zone (EEZ) | GEF |
| Completed | | Report on seasonality and value of longline bycatch | GEF | |
| Completed | | Participants attend introductory or advanced regional Stock Assessment Workshop to build capacity in analysis of ocean stock assessment methods and results | Programme funding | |
| Ongoing | | Scientific analyses, advice and technical support provided to Tokelau Arrangement | Core, programme funding, MFAT | |
| Ongoing | | Analyses and outreach in support of development of harvest strategies for WCPO tuna stocks | WCPFC, MFAT | |
| Ongoing | Secure national web pages delivering country-specific scientific advice on the status of oceanic fisheries resources updated and enhanced | GEF | | |

| SPC development objective | Divisional business plan objective | Status | Outputs taking place or expected to commence this year | Programme/Project |
|---|---|-----------|--|---|
| Forestry, land use, agriculture | | | | |
| 1. Strengthen sustainable management of natural resources (fisheries, forestry, land use, agriculture, minerals, water) | Enhanced management and accessibility of information and data by PICTs and strengthened coordination of knowledge networks | Ongoing | Capacities and priorities of Lands and Survey Departments mapped, and information provided on activities and outcomes of the Pacific Geospatial and Surveying Strategy | OCG Geodetics |
| | Strengthened development and management of natural resources, systems and processes | Ongoing | Progress made toward adopting a modern Geodetic Reference Frame that underpins fundamental geospatial systems and applications | OCG Geodetics |
| | Capacity to make evidence-based policy decisions on food security, sustainable resource management and economic growth strengthened | On Track | Regional repository of national Agriculture Policy Banks developed in PAFPNet portal (infrastructure in place for Vanuatu) | Agriculture Policy - Intra-ACP Agriculture Policy Programme |
| | | Completed | Baseline Study and National Policy Inventory and Analysis (Vanuatu as part of 15 Pacific countries; to be published) | Agriculture Policy - Intra-ACP Agriculture Policy Programme |
| | | Ongoing | Vanuatu consulted on development of several agriculture policy frameworks (e.g. draft Pacific Regional Extension Strategy) | Agriculture Policy - Intra-ACP Agriculture Policy Programme |
| | | On Track | Support for industry policies (agri-tourism in Vanuatu) | Agriculture Policy - Intra-ACP Agriculture Policy Programme |
| | Increased capacity of sustainable land and forest management | On Track | Coconut Industry Development Project pilot commenced with recruitment and inception report | EU - CIDP |
| | | On Track | Reconstruction of TC Pam-affected cocoa plantations and facilities | Cocoa Rehabilitation Project - Vanuatu |
| | | On Track | Cocoa genetic resources developed, and production and post-harvest systems aligned with market opportunities | Cocoa Rehabilitation Project - Vanuatu |

| SPC development objective | Divisional business plan objective | Status | Outputs taking place or expected to commence this year | Programme/Project |
|---|--|---------|---|---|
| Minerals and water | | | | |
| 1. Strengthen sustainable management of natural resources (fisheries, forestry, land use, agriculture, minerals, water) | Strengthened assessment and monitoring of natural resources, systems and processes | Ongoing | Levelling survey of tide gauges and associated land monitoring stations - Tide gauges are operational and deliver precise water-level information and continuous operating geodetic stations monitor ground movement | OCG Geodetics |
| | | Ongoing | Technical support provided to maintain regional sea-level monitoring stations - Tide gauges are fully operational and deliver high-quality sea-level and meteorological data | Climate and Oceans Support Program in the Pacific |
| | | Ongoing | Maritime baseline, zone, limits and boundaries developed for Pacific Island countries - Provision of appropriate maritime boundaries data, support and advice to allow countries to develop technical/legal solutions (currently supporting development of baselines and outer limits of maritime zones for Fiji) | Regional Maritime Boundaries Project |
| | | Ongoing | Technical solutions prepared with Pacific Island countries for shared/overlapping EEZ - Technical support for preparations for negotiation meetings | Regional Maritime Boundaries Project |
| | Enhanced management and accessibility of information and data by PICTs and strengthened coordination of knowledge networks | Ongoing | Printed annual tide calendar received by relevant agencies and available online to public - Tidal fact sheet and additional information and improvements included with tide calendars for Port Vila and Luganville following user survey | Ocean Information and Knowledge Management |

| SPC development objective | Divisional business plan objective | Status | Outputs taking place or expected to commence this year | Programme/Project |
|--|---|-----------|--|---|
| Mobility, private enterprises, phytosanitary and biosecurity standards supporting trade | | | | |
| 2. Improve pathways to international markets (mobility, private enterprises, phytosanitary and biosecurity standards supporting trade) | Increased capacity of PICTs to meet standards, guidelines, and conditions for exports and domestic trade - Improved information available on plant and animal health status | Ongoing | Market access information systems updated and maintained - 2016 WAHIS: Updated 1st and 2nd semester country reports | Biosecurity and Trade Support / Animal Health |
| | | Ongoing | Technical services provided to PICTs to support preparedness in animal health emergency disease response (including unplanned ERP response) | Animal Health |
| | | Ongoing | Paravet training held | Animal Health - Paravet Training (2013 NZ Services agreement) |
| | | Ongoing | Technical advice provided on development of import risk assessments for livestock and livestock products | Animal Health |
| | Development of pesticide stock management system | On Track | Pesticide registration system harmonised in FAO member countries | Plant Health |
| Transport and energy | | | | |
| 3. Strengthen sustainable transport and energy security | Strong leadership in the Pacific's energy sector, with good governance, effective multi-sectoral coordination and strategic partnerships, including monitoring and evaluation | Ongoing | Developed and established training courses and support facilities within technical and vocational education and training (TVET) institutions | PacTVET - Technical and Vocational Education Training - SPC |
| | | Ongoing | Climate change adaptation and sustainable energy training networks strengthened | PacTVET - Technical and Vocational Education Training - SPC |
| | Enhance management and accessibility of information and data by PICTs and strengthen coordination of knowledge networks. | Ongoing | Strengthening governance arrangements of PICT to achieve IHO hydrographic capacity level 1 - hydrographic governance and collection and promulgation of navigation warnings and information | Pacific Regional Navigation Initiative |
| | | Ongoing | Mechanism for the provision of SPC-held bathymetric data to Primary Charting Authorities (PCA) for use in the updating of official nautical charts | Pacific Regional Navigation Initiative |
| | Enhance management and accessibility of information and data by PICTs and strengthen coordination of knowledge networks | Completed | Assistance to VU maritime officials to provide navigation warnings and associated nautical information through recovery period. Maritime Safety Information (MSI) Workshops conducted (Port Vila and Luganville) | KfW Recovery Activities in Response to Cyclone Pam |
| | | Completed | Provision of key Aids to Navigation; Aore East (Santo) Sector Light reinstated | KfW Recovery Activities in Response to Cyclone Pam |
| | | Completed | Navigation Hazard Identification Survey completed with results and report presented to officials | KfW Recovery Activities in Response to Cyclone Pam |

| SPC development objective | Divisional business plan objective | Status | Outputs taking place or expected to commence this year | Programme/Project |
|---|--|-----------|--|---|
| Development statistics | | | | |
| 4. Strengthen access to and use of development statistics in policy development and monitoring progress | PICTs have the technical capacity to manage and implement all core statistical collections, including key administrative databases, as required by national development plans, including national strategies for the development of statistics | On Track | Data converted to CSPro and batch editing is completed | DFAT-Strengthen Pacific Statistics_2016-2017 |
| | | On Track | Participated in launch of 2016 Mini Census results - first release | DFAT-Strengthen Pacific Statistics_2016-2017 |
| | | Completed | Trade database and dissemination tables finalised - COMTRADE database and dissemination tables from 2012 to January 2017, with commentary, released end April 2017 | Statistics NZAID 2017-2019 |
| | | On Track | Technical assistance provided to support completion of national civil registration and vital statistics assessments and improvement plans | DFAT-Strengthen Pacific Statistics_2016-2017 |
| | | Completed | National-level evaluation concluded with sufficient input numbers for drafting Census Evaluation Report - Produced 2016 Mini-Census Evaluation Report with overall measure of census coverage rate, including Port Vila census coverage rate derived from second mission | DFAT-Strengthen Pacific Statistics_2016-2017 |
| | | On Track | Consumer price indices rebased - Compilation manual produced | DFAT-Strengthen Pacific Statistics_2016-2017 |
| | | Completed | 2016 Mini-Census Evaluation draft report with recommendation on data imputation produced - 2016 Mini-Census Evaluation Report with an overall measure of the Census Coverage Rate produced | DFAT-Strengthen Pacific Statistics_2016-2017 |
| | | Completed | Education Management Information System (EMIS) implementation plan finalised with detailed budget - Vanuatu stakeholders support bilateral education project | DFAT Strengthening EMIS in the Pacific 2015-2017 |
| | | On Track | New consumer price index (CPI) system in place - Standard template and budget for future rollouts developed | DFAT-Strengthen Pacific Statistics_2016-2017 |
| | | On Track | New Consumer Price Index (CPI) system in place, standard template and budget for future rollouts developed | DFAT-Strengthen Pacific Statistics_2016-2017 |
| Goal 2: Pacific communities are empowered and resilient | | | | |
| Climate change and disasters | | | | |
| 5. Improve multi-sectoral responses to climate change and disasters | Strengthen assessment and monitoring of natural resources, systems and processes | On Track | Supply of truck-mounted borehole drilling rig - Borehole drill rig and truck procured and shipped to Port Vila, with official handover to take place in April 2017 | Building Safety and Resilience in the Pacific (EDF 10 ACP-EU) |
| | | On Track | Construction Supervisor hired | Building Safety and Resilience in the Pacific (EDF 10 ACP-EU) |
| | | On Track | Design and construction of three Provincial Emergency Operations Centres | Building Safety and Resilience in the Pacific (EDF 10 ACP-EU) |

| SPC development objective | Divisional business plan objective | Status | Outputs taking place or expected to commence this year | Programme/Project |
|---------------------------|--|----------|--|---|
| | | On Track | Integrated community-resilience approach developed for SPC to guide community-level disaster risk reduction investments | Pacific Resilience Programme |
| | Enhanced coastal fisheries management policies and systems based where possible on scientific assessments of the status of national coastal marine resources | On Track | Ecological assessments conducted in Vanuatu at 18 sites | TC Pam Rehabilitation |
| | | Ongoing | Advised on Tropical Cyclone Pam related requests in regard to coastal fisheries science and monitoring | Science and Management (CFSM) programme funded activities |
| | Increased skills & knowledge base to maximise the return on investments in aquaculture | On Track | Technical support provided for aquaculture in Vanuatu (30 ponds) | TC Pam Rehabilitation |
| | Improved capacity for subsistence, artisanal, sport and industrial fishing activities within the sustainable production level | On Track | 26 nearshore FADs deployed and safety 'grab bags' and fishing gear distributed in Vanuatu | TC Pam Rehabilitation |
| | | On Track | 14 boats to be built and provided to rural fishers in Vanuatu | TC Pam Rehabilitation |
| | | On Track | Installation of 14 solar freezers in Vanuatu | TC Pam Rehabilitation |
| | | On Track | Installation of fish preservation centres in Vanuatu | TC Pam Rehabilitation |
| | | On Track | Country adopts emerging technologies and international best practice, such as business excellence principles, for all players in the maritime supply chain, e.g. safe ship management, standard operating procedures | SPC Recovery Support for Tropical Cyclone Pam |

| SPC development objective | Divisional business plan objective | Status | Outputs taking place or expected to commence this year | Programme/Project |
|---|---|----------|--|--|
| | Capacity to mitigate and adapt to climate change and to respond to disasters for land, agriculture, and forest resources developed and strengthened | On Track | REDD+ phase 2 work on forest conservation | REDD Regional Programme on Climate Change |
| | | On Track | Conduct awareness and trainings on REDD+; Support the development of a full National Forest Inventory (NFI) roadmap; Support implementation of REDD+ pilot site; Support the development of awareness and training materials | REDD Regional Programme on Climate Change |
| | | On Track | National training workshop on forest cover change assessment | REDD Regional Programme on Climate Change |
| | Increased capacity of sustainable land and forest management - Disaster rehabilitation | On Track | Development of community land use plan; rehabilitation of affected farming areas; capacity building | TC Pam project |
| | Strengthened assessment and monitoring of natural resources, systems and processes. | Ongoing | Baseline data collection, probabilistic inundation hazard assessment from tsunamis, cyclones and swells | KfW Recovery Activities in Response to Cyclone Pam |
| Human rights, gender equality, cultural diversity and opportunities for young people | | | | |
| 6. Advance social development through the promotion of human rights, gender equality, cultural diversity and opportunities for young people | Pacific peoples adapt to their changing environment while protecting and promoting their rights, assets and identity | Ongoing | Increased employment and entrepreneurship start-ups for youth in Vanuatu - Provide training, internships and opportunities to start own businesses, with training and materials, to youth in Vanuatu | Youth@Work Vanuatu |
| | | On Track | Introduction to Excel and data analysis training with CARE (pilot of training material) | Progressing Gender Equality in PICTs |
| | | On Track | Vanuatu Mini-Census 2016 gender fact sheet produced and disseminated | Progressing Gender Equality in PICTs |
| | | On Track | Write shop' convened for production and dissemination of Vanuatu Mini-Census 2016 | Progressing Gender Equality in PICTs |
| | | Ongoing | Support provided for National Steering Committee implementing gender mainstreaming | Progressing Gender Equality in PICTs |

| SPC development objective | Divisional business plan objective | Status | Outputs taking place or expected to commence this year | Programme/Project |
|---------------------------|---|---|--|--|
| | Effective shared agendas, regional platforms and institutions | Not Started | Technical advisory support - Gender analysis of women's contribution to aquaculture | Progressing Gender Equality in PICTs |
| | | On Track | Communities in Tafea province engaged in multi-hazard mapping work, and communities in Ambae province engaged in water supply work | Culture – KfW Tree Planting for Cultural Purposes Project (TC PAM) (Project 31) and Youth Policy |
| | | Ongoing | Support provided to project partners along with delivery of activities on the ground - Planned project activities carried out in timely fashion | Culture – KfW Tree Planting for Cultural Purposes Project (TC PAM) (Project 31) |
| | | On Track | Support provided in a range of areas for recovery and resilience building - Communities assisted to replant trees and plants that were damaged by TC Pam for production of cultural goods and services | Culture – KfW Tree Planting for Cultural Purposes Project (TC PAM) (Project 31) |
| | | On Track | Community engagement (consultations) and follow-up with affected communities on requirements for re-planting of trees/plants for cultural purposes | Culture – KfW Tree Planting for Cultural Purposes Project (TC PAM) (Project 31) |
| | | On Track | Report of recommendations from workshop on strengthening the role of central agencies in governments in supporting gender mainstreaming across government policies, programmes and services | Progressing Gender Equality in PICTs |
| | | On Track | Report of recommendations from the regional conference of Pacific women and Ministers and Senior Government Officials Meeting (2-5 October 2017) | Progressing Gender Equality in PICTs |
| | | On Track | Support for engagement on gender equality and exchange and learning - Organisation of 13th Triennial Conference of Pacific Women | Progressing Gender Equality in PICTs |
| | | Ongoing | Work with Office of the Pacific Ocean Commissioner (OPOC) to compile data on cultural dimensions of ocean | Culture – Cross Sectoral Work |
| | | Ongoing | Progressing recommendations from Mid-Term Review of the Regional Culture Strategy: Investing in Pacific Cultures 2010-2020, and resource mobilisation strategies at national and regional levels | Culture – Regional Culture Strategy Review Working Group |
| | | On Track | Progress and report recommendations from National Culture Policy Peer Review and Learning Meeting (countries that are either implementing policies, have draft culture policies in place, or are planning to develop a policy in the 2017-2018 period) | Culture – Kiribati, Tuvalu, Vanuatu, French Polynesia, Samoa and Solomon Islands. |
| | | On Track | Partnership with Commonwealth Secretariat, ILO and PYC to advance strategic policy commitments to youth entrepreneurship - Partnership with ADB to strengthen evidence base on youth unemployment | PYDF Regional Coordination |
| | | On Track | State of Pacific Youth report and regional youth indicators published through multi-agency partnership - Standard set of youth indicators available to analyse the situation of youth through routine surveillance (regional) | PYDF Regional Coordination |
| | Ongoing | Technical assistance to develop Pacific Young Women's Leadership Alliance (PYWLA) structure and strategic plan - Engagement of PYWLA at Triennial Conference of Pacific Women facilitated | Youth engagement | |

| SPC development objective | Divisional business plan objective | Status | Outputs taking place or expected to commence this year | Programme/Project |
|--|---|-------------|--|--|
| | PIC governments promote /protect human rights & fulfil human rights commitments | Ongoing | Convention on the Elimination of All Forms of Discrimination Against Women (CEDAW) - support for implementation, planning and monitoring | DFAT |
| | | Ongoing | Universal Period Review (UPR) implementation planning supported | DFAT |
| | | Ongoing | Support provided for UN Treaty Body reports (Committee against Torture and International Covenant on Civil and Political Rights) | KfW |
| | | Not Started | National Human Rights Action Plan developed | DFAT (Pacific Women) |
| | Civil society and communities promote human rights, gender equality and ERAW | Ongoing | Coalition in-country mentoring provided through Pacific People Advancing Change (PPAC) project | Pacific Leadership Program |
| | Women and girls have increased access to justice in cases of domestic violence | Ongoing | Research and needs assessment conducted to plan justice sector capacity building | DFAT (Pacific Women) |
| Goal 3: Pacific Island people reach their potential and lead long and healthy lives | | | | |
| Non-communicable diseases and food security | | | | |
| 7. Improve multi-sectoral responses to non-communicable diseases and food security | Strengthen healthy public policy and legislation in all relevant sectors | Completed | Consultations and advocacy meeting conducted to strengthen NCD policies and legislation | PHD Policy Planning and Regulation - (PPRP activity 7.1.1) |
| | | Ongoing | Pacific food-based dietary guidelines reviewed and developed | PHD Policy Planning and Regulation - (PPRP activity 7.2.3) |
| | Build capacity and knowledge for effective implementation/action | Not Started | Staff trained or attend professional placements/training/ courses (training on NCD for youth and media) | PHD Policy Planning and Regulation - (PPRP activity 7.4.3) |
| | | Not Started | Staff trained or attend professional placements/training/ courses (smoking cessation training) | PHD Policy Planning and Regulation - (PPRP activity 7.4.3) |
| | | Not Started | Support provided to strengthen national diabetes associations | PHD Policy Planning and Regulation - (PPRP activity 7.4.4) |
| | | Ongoing | Information, education and communication resources needs identified, and information procured/ developed and distributed | PHD Policy Planning and Regulation - (PPRP activity 7.2.6) |

| SPC development objective | Divisional business plan objective | Status | Outputs taking place or expected to commence this year | Programme/Project |
|--|--|----------|---|--|
| | Establish accountability mechanisms to enable PICTs to assess progress on key NCD indicators | Ongoing | Technical support provided for monitoring and reporting on agreed international and regional NCD commitments | PHD Policy Planning and Regulation (from PPRP activity 7.5.2) |
| | Agrobiodiversity conserved | Ongoing | Strengthened safety maintenance of Pacific regional crop and tree collections to ensure Vanuatu has crop reserves available to respond quickly to disasters | CePaCT Global Crop Diversity Trust Regeneration & Safety Duplication Intra – ACP Agriculture Policy Programme |
| | Agrobiodiversity conserved | Ongoing | Mass plant propagation using bioreactors, screening, preparation and distribution of improved crop diversity (nutrient-rich, pest and disease resistant, climate-resilient) | CePaCT Global Crop Diversity Trust Regeneration & Safety Duplication Intra – ACP Agriculture Policy Programme |
| | Improved and resilient food production systems | Ongoing | Provision of technical assistance on screening, evaluation and documentation of new, resilient crop varieties | CePaCT - (FAO Treaty Access Benefit Sharing) |
| | Improved and resilient food production systems | Ongoing | Resilience of Pacific agricultural systems to climate change strengthened | CePaCT - (FAO Treaty Access Benefit Sharing) |
| | Improve the dissemination and adoption of agricultural production technologies | On Track | Rural Advisory Services (RAS) capacity to effectively service the farming community increased | Intra – ACP Agriculture Policy Programme |
| Public health surveillance | | | | |
| 8. Strengthen regional public health surveillance and response | Strengthen Policy Development and Strategic Planning for a coordinated response to epidemics and emerging diseases | Ongoing | Support provided for developing/updating communicable disease policy | PHD REI work |
| | | Ongoing | PICTs assisted to update national infection prevention and control guidelines | PHD REI work |
| | | On Track | Sexual Reproductive Health National Strategic Plan - implementation status and updates mapped out | PHD REI work |

| SPC development objective | Divisional business plan objective | Status | Outputs taking place or expected to commence this year | Programme/Project |
|---------------------------|--|--|---|---|
| | Improve capacity and standards of PICT laboratories | Ongoing | Laboratory supplies and equipment procured | PHD REI work |
| | | Ongoing | In-country training and follow up on implementation of lab-based surveillance carried out | PHD REI work |
| | | Ongoing | Technical assistance provided for laboratory strengthening and mass gathering surveillance | PHD REI work |
| | | Ongoing | Countries assisted to print laboratory handbooks | PHD REI work |
| | | Ongoing | Integrated training provided for Province 1-4 | PHD REI work |
| | | On Track | Support provided for developing/updating HIV testing policy, guideline development and updates | PHD REI work |
| | Improve the quality of surveillance & reporting at country-level | On Track | Support provided for strengthening L1 lab capacity for HIV/STI testing and screening, including lab-based surveillance | PHD REI work |
| | | Ongoing | Data for Decision-Making (DDM) training delivered for health staff: Introduction to Epidemiology and Field Epidemiology (EPI 821) | PHD REI work |
| | | Not Started | Data for Decision-Making (DDM) training delivered for health staff: Computing for Public Health Practice (EPI 824) | PHD REI work |
| | | Not Started | Data for Decision-Making (DDM) training delivered for health staff: Field epidemiology project (EPI 825) | PHD REI work |
| | | Not Started | Technical assistance provided to enhance policy and institutional environment for enhanced surveillance | PHD REI work |
| | | Not Started | Technical assistance provided for development and/or customization of surveillance tools for enhanced surveillance | PHD REI work |
| | | Not Started | Technical assistance provided for pilot testing of surveillance tools | PHD REI work |
| | | Not Started | Training conducted on mass gathering surveillance (and use of surveillance tools) | PHD REI work |
| | | Ongoing | Risk communication materials updated | PHD REI work |
| | | Not Started | Technical assistance provided for implementation of enhanced surveillance system | PHD REI work |
| | | Not Started | Technical assistance provided in the areas of surveillance system assessment (for mass gathering) | PHD REI work |
| | | Not Started | Technical assistance provided in area of disease risk assessment (for mass gathering) | PHD REI work |
| | | Completed | Monitoring of surveillance and epidemiology activities conducted in Vanuatu (Province 1-4) | PHD REI work |
| | | On Track | PICTs supported to collate and analyse HIV/STI related data | PHD REI work |
| | | On Track | HIV and STI situation in the region updated, and Global AIDS Response Progress (GARP) report facilitated every year | PHD REI work |
| | | Strengthen support mechanisms for PICTs facing public health and climate change health-related emergencies | Completed | Technical assistance provided for development of health support package for mass gathering surveillance |
| | Ongoing | | Technical assistance provided for toxic waste management | PHD REI work |
| | Ongoing | | Vector control training provided | PHD REI work |

| SPC development objective | Divisional business plan objective | Status | Outputs taking place or expected to commence this year | Programme/Project |
|------------------------------|---|----------|--|---|
| Education quality | | | | |
| 9. Improve education quality | Improved teacher and principals performance | On Track | National and regional benchmarks and enabling policies put in place to improve performance of education system | Pacific Benchmarking for Education Results |
| | | On Track | Development of institutional capacity analysis tools to support country's conduct of skills audit | Pacific Benchmarking for Education Results |
| | | On Track | National principal attributes/criteria developed; education officers trained; implementation manual and programme developed; and data analysis and report produced on effectiveness of principal performance | EQAP Research Section |
| | Raising of students achievements in literacy and numeracy | On Track | Improved capacity for development of intervention resources and consequently for teaching literacy and numeracy | Regional Qualifications and Assessment for Learning |
| | | On Track | Technical and advisory support on curriculum learning outcomes | Regional Qualifications and Assessment for Learning |
| | | On Track | Technical assistance provided for assessment and monitoring of literacy, numeracy, and life skills in the Pacific | Improving Literacy and Numeracy |
| | Strengthening national accreditation and assessment systems | On Track | Relevant technical and advisory support for accrediting agencies and education and training institutions provided | EQAP Accreditation |
| | | On Track | Pacific Register of Qualifications database updated with (i) accredited qualifications, (ii) registered institutions, (iii) professional associations and members, and (iv) accrediting agencies | EQAP Accreditation |
| | | On Track | Capacity of education officers, teachers and school leaders increased to improve quality of regional qualifications and support process of national examinations | Regional Qualifications and Assessment for Learning |
| | Provision of high quality programmatic technical services and policy advice | On Track | Ongoing technical support provided to countries on research | EQAP Research Section |
| | | On Track | Capacity of national research experts enhanced to conduct in-country research and use research findings and recommendations to inform educational reforms | EQAP Research Section |
| | Increasing PICTs education capacity to manage and use high quality valid and reliable data to inform policy and decision making | On Track | Training materials and documentation developed for Vanuatu EMIS (Education Management Information System) | EQAP EMIS Section |
| | | On Track | VEMIS enhanced with integration of national examination results and PacSIMS into system - VEMIS supports bi-lingual capabilities | EQAP EMIS Section |
| | | On track | Capacity building and provision of technical support for national counterparts on analysis and dissemination of education statistics from VEMIS | EQAP EMIS Section |
